Dear Mr Greenwich

Thank you for your correspondence to the Premier regarding the Millers Point Community Resident Action Group's 'Project Billabong' proposal for a local public swimming spot at Barangaroo Reserve.

Infrastructure NSW is in the early stages of exploring the opportunity for a swimming area at Barangaroo. Various locations and formats will form part of this review.

Should this progress to a feasibility study, Infrastructure NSW will consult with the surrounding community and stakeholders.

The Millers Point Resident Action Group is a valued stakeholder and Infrastructure NSW looks forward to working with them throughout the ongoing renewal of the Barangaroo precinct.

Yours sincerely

Simon Draper  
Chief Executive Officer
